

Re: Janet Jackson Incident: this is a quote from an article about the incident:

"Wade said CBS officials attended rehearsals of the show all week, "and there was no indication any such thing would happen. The moment did not conform to CBS' broadcast standards and we would like to apologize to anyone who was offended."

If CBS officials attended the rehearsals, surely they say Timberlake put his hand over Jackson's breast. That is not the kind of fare people want their families to see. Why didn't they ask them to cut that out of the performance and then we wouldn't have had a "costume malfunction." The whole thing was uncalled for.

Just as offensive, but not receiving as much attention was P.Diddy grabbing and holding his croach area. That too, is not what I want to see.
